TEACHING EXPERIENCE

Secret Side of International Politics, Professor Austin Carson, Autumn 2023

- Gave two guest lectures, one on using online archives and primary sources, and one on the history of the law of the sea treaty (UNCLOS)
- Assisted students write 25-page, original research papers supported by primary sources

- Norms, Ideas, and Identities in International Politics, Professor Rochelle Terman, Winter 2024
- Gave a guest lecture on practice theory in international politics
 - Assisted students write a 15-page thematic literature review and research proposal

- Introduction to International Politics, Professor Paul Poast, Spring 2024
- Led a discussion section of 25+ students, wrote a 6 page paper assignment.
 - Hosted a mock UNSC simulation on a mock South China Seas crisis, using CFR materials

- War and the Nation State, Professor John Mearsheimer, Winter 2025
- Led a discussion section of 27+ students, discussing primary and secondary sources on the history of European warfare, with themes of nationalism, industrialization, and bureaucratization that came with the rise of the state from 1789 to 1945
